

Harvest Festival

Please give generously

Our Harvest appeal this year is for Caritas Anchor House

A charity that collects food and toiletries for single homeless people in desperate need of help

Based in the East End, the charity provides food and shelter for the homeless and food boxes for those being given sheltered accommodation

We would appreciate anything that is non-perishable, such as tinned soup, vegetables, fruit, meat and fish; dried pasta; rice; sugar; tea; coffee; long life milk and long-dated goods, e.g biscuits, cakes and cereals

Toiletries such as toothpaste, toothbrushes, soap and shower gel

Please send items in with your child to their class

We will have a competition to see which class can bring in the most!

Thank you for your support!
