

Cricket for Boys and Girls of all abilities

Bancroft Lions Cricket Club is led by highly experienced and qualified cricket coaches with a focus purely on junior cricket (ages 7 to 15). Playing within the 'spirit' of cricket, we provide an early opportunity for boys and girls to play organised, fun and competitive cricket to suit their age and abilities. Our players learn the value of physical activity while also enjoying the experience and excitement of competition.

Beginners - can learn new crickets skills and have fun whilst also developing all aspects of ABCs (Agility, Balance, Coordination and Speed).

Experienced junior cricketers - can improve their skills through the excellent coaching provided by our ECB qualified coaches.

Opportunities exist for all our young cricketers to represent Bancroft Lions CC in the numerous cricket sides we manage during the year, from soft ball Fundamentals to friendlies, festivals, tournaments and leagues all over Essex. With home games based at Bancroft school's West Grove Sports facilities. We have a comprehensive outdoor and indoor fixture list for all ages. Bancroft Lions under 11s are the current Metropolitan Essex District Cricket board (MEDCB) 2015
