

PRIMARY ADVANTAGE MATHS

Year 3 Parent Workshop

2:00-3:30pm Thursday 28th Sept

Churchfields Junior School invites you to join us for a parent workshop to discuss our approach to teaching mathematics.

FIND OUT:

- * What the PA Maths approach is
- * What strategies are used to teach maths
- * How to develop conceptual understanding
 - * What resources we use in school
- * About the No Problem maths homework books

To book your place, please fill out the slip below and return to the office by Monday 25th September
