## Year 3 Ducklings

Dear Parents/Carers

Year 3 are very excited to have received a batch of eggs that will hatch into ducklings. Your children will have the exciting opportunity to learn all about the science related to the ducklings, as well as having a fantastic stimulus for writing. They will also gain valuable experience in responsibility and looking after an animal.

We do however need parental help and are asking for a 'foster family' to look after the ducklings over the weekend. If you can offer the ducklings a loving home and would like to look after them for a few days, please complete the slip below and return to your child's teacher.

Full guidance on how to look after the ducklings will be provided by the class teacher.

If we have several parents offering help a ballot will be held.

Thank you for your continued support.

Kind regards

Miss Hawkins, Mr Wilkins, Miss Daji, Mr Bali
