

Fun winter indoor cricket for boys and girls of all abilities

Bancroft Lions Cricket Club is an ECB clubmark club led by experienced and qualified cricket coaches with a focus purely on junior cricket (ages 8 to 16). Playing within the 'spirit' of cricket, we provide an early opportunity for boys and girls to play organised, fun and competitive cricket to suit their age and abilities. Our players learn the value of physical activity, while enjoying the experience and excitement of competition.

Beginners - can learn new crickets skills and have fun whilst also developing all aspects of ABCs (Agility, Balance, Coordination and Speed).

More experienced cricketers - can improve their skills, through the excellent coaching provided by our ECB qualified coaches.

Opportunities exist for all our cricketers to represent Bancroft Lions CC in the numerous cricket sides we manage during the year. We currently have a comprehensive indoor friday evening fixture list for all ages at either Peter May Centre (8yrs+). With many of our players going onto represent district and the Essex county age squads. Following the success of our ECB AllStars programmes we have a very big focus on Girl's cricket. Summer home games are based at Bancroft school's West Grove Sports facilities in Woodford Green.

Winter training for all: Every Wed' from 6.30 - 8pm at the Peter May Centre, 135 Wadham Road, Walthamstow, E17 4HR.

Fees: £8.00 per session with very significant discounts for members, block bookings and sibling payments (details on request).
