

# Assessment for History

**Year 3** - Stone, Bronze and Iron Age 1

Learning Objectives	Self	Teacher Assessment	
	√√√	Towards	Expected
To locate the Stone, Iron and Bronze ages on a timeline.			
To restate what is meant by prehistory and how we know about it.			
To discuss the sources that provide information about the Stone Age.			
To recognize the differences between the Palaeolithic and Mesolithic Age, and explain what was 'new' about the Neolithic age.			
To discuss how much life changed when man learned to farm.			
To illustrate the significance of Skara Brae.			
To express whether Stone Age man was a 'simple hunter gatherer'.
