2. Language awareness ~ without needing to use a dictionary!

Read the text below about a pupil's opinions on school uniform, using awareness of cognates and by looking at context. Then answer the two questions in English using common sense and language awareness.

En France, on ne porte pas d'uniforme scolaire. Il y a des avantages et des inconvénients, bien entendu. Moi, j'ai horreur du système anglais! Je préfère de ne pas avoir d'uniforme. Premièrement, on ne distingue pas entre riches et pauvres. En plus, on est plus relaxés au collège quand on est habillés comme chez soi.

Give two reasons why the narrator is not in favour of school uniform.
