

# PSHCE - Test your skills

## Year 5 Identity

---

### 1. Match the vocabulary to the definitions:

assumption	The combination of factors which makes a person who they are.
identity	Treating someone unfairly because of an aspect of who they are.
stereotype	Making a judgement about something or someone without evidence.
discriminate	An over-simplified view of a group of people which treats them all as the same and is probably not true for everyone.

2 marks

---
