

Endpoints for Design and Technology

Year 3 - Salad

What I know and can explain

I can categorise vegetables into the correct classification category.

I understand what it means for fruit and vegetables to be “in season”.

I am able to cut batons with accuracy.

I am able to dice vegetables with accuracy.

I am able to chiffonade leaves with accuracy.

I am able to cut half moons with accuracy.

I am able to use the peeler to effectively cut ribbons.

I am able to communicate my design ideas using my sketching skills.

I am able to arrange my salad so that it meets the specification points and design brief.
